

September 11, 2020

Dear Students, Parents, Families & Friends,

Talcott Mountain Science Center & Academy is open and operating under local, state and federal guidelines in response to the COVID-19 pandemic.

Our day school, Talcott Mountain Academy, welcomed students back on campus for full time, in-person classes on September 8, 2020. Distance learning options are also being made available to those families who prefer to remain virtual at this time.

We plan to offer robotics, technology and other programs on Saturdays and during school vacations. We will also resume our Skygazing programs in the fall. Details will be posted on our website when they are available.

If you have any questions, please contact the following individuals:

Lydia Gibb, lgibb@tmsc.org -- Talcott Mountain Academy
John Pellino, jpellino@tmsc.org -- All Other TMSC Programs

Thank you for your patience and continued support during this difficult time.
